A rich tradition in a relaxed countryside setting makes Hillsdale Golf Club one of the finest clubs in Quebec. Located in the foothills of the Laurentians (near Ste-Thérèse), only 40 minutes north of downtown Montreal, our 36-hole private club features two distinct 18-hole championship courses, including the Howard Watson-designed Laurentien course.

Hillsdale has hosted many professional tournaments since its inception in 1953, including the prestigious 2011 LPGA CN Canadian Women's Open and the 1998 Canadian Amateur Championship.

The Laurentien course is a traditional layout, featuring large undulating greens and generous gently sloping fairways. The course is both playable and challenging, offering numerous tee options to players of all levels, with the championship tees stretching to more than 6900 yards.

The picturesque Woodside course carves through the forest, featuring narrow, tree lined fairways, sharp dog-legs and small greens. The course blends a challenging mix of short and long holes in a beautiful setting.

Our reputation continues to garner praise for the golf, the atmosphere, the clubhouse and the close attention paid to detail. For an easy and discerning lifestyle choice, join us at the historic Hillsdale Golf Club.

Hillsdale is proud to offer:
